

ZIP Extension Installation Instructions for Sharepoint 2013

1. Unpack the **Amrein.Extension.AEZI.F.wsp**, the **Amrein.Sharepoint.Core.wsp**, the **Install2013.bat** and **install2013AmreinCore.bat** files from the Zip Archive and place the 2 files onto your Sharepoint Server.
2. Run the **install2013AmreinCore.bat** file to add the Amrein core solution
3. Run the **install2013.bat** file to add the web part solution
4. Deploy the solutions by navigating with your browser to “Central Administration > System Settings > Farm Management > Manage farm solutions”:

5. You should now see the **Amrein.Extension.AEZI.F.wsp** and the **Amrein.Sharepoint.Core.wsp** in the farm’s solution store:
